It's a really big problem that I think so I can just write you some of my ways and steps to stay healthy maybe. But one warning thing I'm not so keen on keeping healthy life. I more prefer laying in bed and eating cereal & snacks. I don't think will be restrictive to you. HAHAHA I'm begin I more carelessly as I can if I was have some mistaken verbs or opinion sorry!!! I think you should advise them to eat more healthier food and stop eating smth like fast food because it might be lets say you they can get it control their health or maybe this food don't have vitamins that their organisms needs to stay healthy. For example I'm trying to not eat a lots sugary food and eat less chocolates. ~~cause~~ because it's unhealthy product that can become ~~you~~ a serious illness in the future like diabetes. Nowadays a lot of people are in hospitals they ~~at~~ spent a lot of money and time to get healthy or care their illness. So don't play with your healthy. If you wanna improve your health eat vegetables, fruits, vitamins and others and meat cause it had a vitamins that makes your body feel strength enough. So what you can surely do sports like boxing, athletics and other if u like. of course. Oh yeah about sports you can do some work outs like jogging, yoga, go swimming maybe healthy is doesn't mean only thin fit and strength of body you mental relax is important too. Yoga will help to ~~to~~ keep it. Stay away from stress and don't worry about your little things it might be the cause of some health problems. And flex one I wanted to advise a sleeping ~~well~~ enough because your brain needs to relax and take a break for some time cause our brain is a

one of the ~~the~~ controller that no helps us to
 move and think make decisions. so sleeping
 well is important to all body and organism
 The normaly people should sleep on bed 7 or
 8 hours, for adults it's 8-7 hour for
 teenagers it will be 10-9, for little
 babies 12-14 hours, cause they ~~are~~ to young
 and need sleep more. All I wishin call's be
 healthy and try not to get any illnes. ~~and~~
~~the~~ ~~give~~ ~~you~~ ~~the~~ ~~letter~~ I believe that
 people in your country will notice some

Hi, Pat. How are you doing? I hope everything is fine. What are you doing at the moment? I saw your email only few minutes ago. I like to wear tops, sweat shirts, tank tops, hoodies, jeans, trousers, keds, boots, hats, and etc. My favourite clothes shop calls 'Republic' and it's placed in Republic 2. It sells so many things like clothes, cosmetics, shoes and other. But as you a boy, you would look for clothes shop that sells things for boys too. If it's like this, I want to recommend clothes shop 'Laska Djo'. It sells clothes for teenagers. If you want, I will take you to go to that clothes shop. We can meet in my place at 2 pm. to go there together. If you have some questions, you can call me to ask them. I will wait for your call. See you tomorrow.
 Your friend, Madina

Long time no see Hollie! I miss you so much, how
 are your feelings right now?

I read about young people who felt themselves not
 very good. Right now in our time we often have
 some problems with our health. Plus in our world
 is pandemic of COVID-19 it's much bad for people's health.
 In my country the situation much better, medical sphere
 is working so hard.

I feel myself so good. I have enough energy and
 motivation to stay fit. I have special app for each
 my day. I try to set discipline and sleep every day at
 10:30. It helps me to wake up at 7 o'clock every
 morning. I recommended it for all my friends, because
 you will sleep enough, your body will be relaxed and
 mental health will be more normally. One of the
 important rule for me is no using gadgets before
 sleeping. Your brain and eyes need to calm down.

My second rule for health is drink so much water.
 Water is the best thing to lose fat, to help your skin.
 I drink 1.5 litres water in a day. And we should always
 wash our face and hands. Your body will be heal.

Vitamins and enough minerals makes your health and
 body stronger. And you don't ill so many times.

Thank you for asking! I'm fine.
 See you soon girl! Bye-bye!

Hi Rob! How are you? Yes now I live in different town and I'm so happy about it. We moved here with whole our family, it's so fun! My parents choosed this place and they were worried if we don't like it. We already loved this place. Absolutely lovely town!

There are so many interesting places to go out! There are big mart, beautiful park, entertainments, computer clubs and schools etc. I already made new friends here. There are so many kind people and lovely kids. Every evening me and my mom we go to mart to buy necessary things. At the weekend I like to go to park with my new friends and just chill. Or we go to different entertainments and have fun. My brother likes computer clubs and goes often with his own friends. Sometimes he brings me with himself and we play different online games. I used to win last time then he bought me so many candies as I wish.

My school is very big and beautiful. Sometimes there happens different matches as football games, basketball or volleyball. My friend also study in my school, but they are older than me and they study 1 year class from me.

At first, I was stressed and so shy around new people. But then I started feeling comfortable around them and became one of them.

I'm so happy that we moved here thanks to my parents! They always do their best for us.

But I miss you so much Rob. I hope that you will come to us and we meet soon.

Hug you Rob, bye!

Hi, Hollie! How are you doing? I am OK! I have read your email. I want to say that we have that problem in our country too. It is pity! Before people thought only old people or adults easily get ill or catch cold. But today it doesn't depend on the age. There are a lot of reasons why people aren't very healthy. For instance, one teenager works somewhere to earn money and survive. This person should study at school and do hard work. He or she might not has enough time to do something else, like hanging out in the nature, getting together with friends. They also start to forget about themselves. They don't take care of themselves. In conclusion, people become stressful, angry and they feel awful. Some people eat more to relief the stress. This ends up with obesity. In my opinion, we can win these problems. First, we must take care of ourselves. I recommend everyone to eat more healthy and less unhealthy food. Healthy food includes fruits, vegetables, berries, milk products and etc. Second, we should do exercises, workout. Even if you don't have enough time, try to do it once a week, not once in a month. Working out makes our body stronger. Third, it will be better if you sleep well. An average sleeping time of teenagers is 7-9 hours. Show this email to your friends and tell them to show it to others. I hope I could help you! Let's be healthy and wealthy! Good bye!

Case

My name's Richard, and I live in a small village with my old and my parents. My sister's name is Rody. Our village is very near a big blue lake and we love to go swim in it. Last Tuesday, my friend William came to our house and we went swimming together. When we were in the water we saw some silver fish. Rody said 'don't look! I can swim faster than the fish.' William said 'So can I!' Then Rody said 'Let's see who can swim across the lake the fastest! Let's have a race!' William ~~was~~ ^{likes} to have competitions, and so does Rody, but I don't because I am the youngest and so I never win. I was 10-11 again. I felt tired and unhappy. William said 'Oh, let's have one more competition. Let's see who can jump the highest out of the water.' Richard jumped first, then Rody jumped, then William jumped the lowest, and William jumped the highest. William shouted 'I'm the best at jumping! I am the best!' But when he shouted a beautiful gold fish jumped out of the water, it was much higher than William. I laughed and said 'No, William, that beautiful fish is the best!'

Case 2

Tomorrow is my birthday. What should I do? I'd like to go to a restaurant with you and my other friends. We could have pizza and ice cream, but Mum and Dad say it's more fun to go to the park and play football. I think going to the restaurant is better. I'm going to the park, but I want everyone to enjoy my birthday. So I have decided to ask all my friends to choose. Then I can tell Mum and Dad what would you like to do tomorrow? Please email back quickly. Thanks!

 Some young people in my country are not very healthy
 and do you do stay fit and healthy "How much sleep do you
 get every night" Do you eat well?

I prefer to eat a well. Others think that if we eat a fast food,
 we'll be unhealthy. Therefore this food is not good for everyone
 people. We need to save our world and helped other
 people. I used to eat fast food every week, but now I try
 to not do it. I know a one - my old friend. He ate fast food
 every day. It's so terrible. It seems to me that we should be
 calm in this situation. If you caring about your life,
 you'll be happy in the future. I suggest that some
 people need to sleep early. I sleep at 12 o'clock at night.

It's right way for me. We're so young thus we have a
 strong body. I need to emphasize that our world is so big
 and dangerous. I want to love myself. And I know that
 it's a matter of experience. Moreover every person wants to be
 happy. To be fit, healthy, tall, maybe dreamy.

I'm going on my way. I support thought lot's of people.
 The first thing we want to know it's a probably situation
 in our life. It's a lifestyle. I want to travel
 all over the world thus I must be healthy and live healthy.
 Do not afraid to do a mistakes in your life.

I'm not afraid because I know to learn from my mistakes.
 Let's live a good life today. We decided, and our decision -

Hi Pat! How are you? You want to buy some clothes? Oh, yes! That's a good idea! Oh, let's go together buy some clothes!

I love elegant clothes! They are so beautiful. What do you like to wear? Are you know? I hate shopping. But I'm ready to buy some clothes with you! I think ~~that~~ this is interesting than shopping alone.

My favourite shop is "Bress". This is a popular shop in my town and this is shop is my favourite shop. I really like it. We can buy some clothes in this ~~shop~~ shop. You can find this is shop in Mega Silkway. And next shop is "Zara". It's a most popular shop in Nur-Sultan. But I don't like this is shop. Because this is so boring. We can meet together on ~~the~~ next week. So, you can buy some clothes. Pat! Bye, Bye!!

B. Hi, Robe!

How is it going? I read your letter. And I wanted to answer it. Yes, I had moved to a other town. But this town ^{is} not new for me. Because I had lived here two years ago. I love this town very much. I am thrilled about living here.

My town is very quiet, pretty cool, the cleanest town in our area. There are a lot of kind and funny people. We have a big supermarket at the centre of the town. Also we have (13) thirteen shops in our small town.

There are not many buildings in here. There are two schools, one childrens, one police office, a ambulance, a culture house, etc. One school for childrens studing from 1class to 4th class, and other school for students from 5th class to 7th class.

I love my town and people in there. Now I will do everything for improving my town.

How about you? What is your town like? What kind of buildings are there in your town?

Good Bye! Take care!

What is the news Kollie? I read your letters, but I don't know how can I help you? You wrote that some people in your country aren't very healthy. Okay, you said they aren't very healthy, but you can be healthy. Don't be like them!
Health is our ~~value~~ ^{thing} that cannot buy any money. That's why we should keep it and don't do bad habits, as smoking, drinking, also hot and more. We ought to do sports, have a good breakfast, run in the morning, sleep for 8 or 9 hours a day, to live a good life. Fast food, like burger, isn't a good way to be happy and healthy. Don't use much oil to cook, because I think you know it isn't useful. Don't keep a diet. It means you can eat all food that you want but not so much. I can say that I'm a girl who sleeps enough, doesn't eat fast food, doesn't have bad habits, wakes up at 6 o'clock and runs every morning, even it's a summer, and does sports, dances, reads 4 books in a month. I love it and I do it to stay fit and healthy. Be positive and active if you want to be healthy and live a long time.
I hope I could tell you about healthy and its importance, even I'm in the 9th grade at school. My sweetheart Kollie!

To: Pat

Hi my dear Pat. Oh, Of course I wanna go with you and buy some new clothes, because you are my friend, and I will go with you anywhere so I think we can go to the "Mega Sinking" mall. It's a big center, no the biggest in our city and there're many shops with clothes. I actually like to wear something comfortable like big jeans, t-shirts, sweaters. I don't like to wear slim clothes. For example long-sleeve. Bruh, it's too uncomfortable for me. I don't like the type of clothes like this. The shop that called "bersha" has a very comfy clothes. We can buy some clothes there, then we should go to the "pull & bear" shop, cause there is so many black T-shirts, jeans, and I literally wear all black outfits. It's actually called "total-black outfits". The black clothes give me the vibe like strong girl, I like the girl that have power. And I like it. So, I'm so excited of being with you on shopping. I hope you will like it. And then we might to go to the anime shops in our town, because in these shops you can find some cool things, clothes. But I don't know which's shop we should to go, because there are too many shops. I decided, the date will be 1st August. Oh my birthday! I think bir meeting will be so awesome, and I hope that we'll have a good time together. Bye, Pat, see you soon!!

Greetings dear summer camp administration!
 I've found an advertisement of your camp and I'd like to learn more about it. To be honest I'm writing this letter to hear about salaries, schedule, cost, schedule and community of your summer camp.

First of all: cost - how much does it cost and how exactly do they need to pay: once or twice of once per week, or even once per lesson? And which payments do you accept? Only cash or both debit card and cash?

Secondarily: about the schedule - is it like "regular work" with free day intervals, or we'll get a full day schedule with games, meals and time to sleep?

And the last but not least: community. What is the core age of your community: 14-20?? Or only teenagers from one school grade?

I'll say and type thank already in this letter, because I believe you'll notice this letter and answer me.

A) From Pat to: Me

Hi, my dear friend! How are you doing? Maybe you have some interesting news except your wardrobe? (Just kidding) haha! I've been missing you. ~~But~~ I'm so grateful that you want to go to the shopping with me. it's kinda cute. But unfortunately I have a lot of plans and my job is so amazing, but I should go there even if I hate it. So, I'm so sorry, but I can't go with you. But I can help you with your style because you know that I'm a real fashion-addicted person and I have the biggest obsession with fashion. So I want to give you advice. But firstly I should give you an answer to your questions, my sweetheart.

At first you know that my favourite style is "old money", but now I also like coquette and 90s supermodels style. So you can decide that I'm crazy about tank tops, coats, berets and miniskirts. Especially I like to wear coats and some pretty shoes.

Second At the second as a biggest fashionista in my town I can't have only one favourite clothes shop. it's impossible to me and every person who (at least) little bit interested in fashion. But I can tell you some marvelous fashion shop in our town and it's absolutely: Lichi, Mango, Lavista and my lovely Topshop.

I recommended you to buy little brown dress in Lichi and one flower t-shirt from Topshop.

This clothes have very nice prices. From my point of view it's very cheap, but my friend don't think so, but it's actually a very cheap. For example you can buy some very chic and gorgeous dress for 15000 ₸. (and it's)

Oh my god, I think I'm talking too much
 maybe it's been because I'm into this. But
 actually I'm always overthinking and over talking
 I'm that type of girl who always change
 their mind and it's very cool because
 we're such a greatest actresses and we can
 manipulate with everyone. And perhaps it's
~~for~~ sounds weird and you think that I'm
 such a weirdo and crazy person, but I ~~changed~~
 changed my mind now and I decide that
 we should meet each other tomorrow and go
 to the shopping. Okay? love you, baby. Bye, see
 you tomorrow ☺
