I had a very exciting day on my winter holiday.

On my last winter holiday I was excited because I visited my grandparents house. I haven't seen them for a long time. To be honest I missed them so much. We with my parents decided to go to my grandparents before winter holidays. My parents were excited too. We came to their house secretly, we wanted to do surprise for them and we did it. My grandma hugged me so hard when she first saw me I couldn't breath for a moment. I guess. And my grandpa was almost crying to see me. After all we entered at home and started to talk. That was pretty long conversation. I told them about my closest friends. Grandpa said that he wanted to see my friends and talk to them. I was don't mind. My mom and grandma started to cook for all of us. I decided to help them. "I can make a sweett cookies" said grandma. It was so long I don't eat my grandma cook and I was excited like I never was. We made delicious food together. That winter holiday I will never forget. I love my family.

B.  
 Hey friend! I'm really glad to get a letter from you and  
 having an opportunity to talk to you. I agree, it's so  
 sad that our winter holiday is only one week long and  
 I didn't expect your teachers to give homeworks really  
 lately. I don't have any homeworks but I have a lot  
 of things to do. Your question is hard. I actually  
 help my mum to cook and clean. Besides, I try to make  
 self-development. I improve my English skills with  
 study a lot. Because exams are coming, I also  
 do a lot of exercises of French grammar. Sometimes  
 all these things are kind of boring, so I listen to  
 music almost everyday, meet my friends and watching  
 movies online. I do for a walk with my dog rarely.  
 Actually my winter holidays are going good. I really  
 appreciate that I want you to write about what you  
 do except homeworks. I'm really happy to get  
 this letter, waiting for your response. Bye, wish  
 you luck!! Best friend! Vazirko

Good morning, Alex! How are you? How is your health? How is your mood today? The weather is so nice, don't you think? I really enjoy sunny days, as you know. By the way, it will be the same on Saturday. Therefore I want to invite you to go shopping with me. It's a good idea, isn't it? I will be really happy if you go with me. Let's meet on comfortable location. I think we should meet in the shop which is next to our favourite cafeteria. Are you OK with it? Oh! I almost forgot about the time! In my opinion, we should start earlier, maybe at 12 o'clock. Let's talk about the clothes we want to buy. You know that I really trust your taste. Firstly, I'm going to find a long dress. However, I'm not sure about the colour. Does pink suit me? Also I need to find some shoes, because mine are so awful to be honest. I don't like wearing them. Answer me as fast as you can, because I'm so excited!

B) Hello Jake!

How are you? How is your family? I hope everything is good. It's really bad that you have homework for your holiday but I believe in you. Maybe I can help you with something?

Just ask for! What about me, I have no homework. Yeah, it isn't a joke. I have very good teachers and I love them like they love me. I'm going to go to my grand parents for weekend, so I won't hear you at the next week. I'm so sorry!

What about you? Are you really going to spend all your holiday with homework? Have you got any other plans? Write me more please!

Waiting for your answer,  
your

best friend ever

P.S: IS your winter holiday really spend only one week? In my country I have more than one week for holidays

Hi Alex! How are? I hope you are doing great. As you probably know we are used to spending our weekends together, especially on Saturdays. So, this time, I want to invite you to the one of the new malls in our city. As far as I'm concerned it was opened just few days ago. In addition to this, all shops are cool and because of sales, the prices of items and clothes are not expensive. That means that a lot of goods with affordable prices. Do you remember that I wanted to buy a beautiful red dress for a party which is going to happen in ~~the~~ next week? So I think that I will looking for it in this mall. Moreover, you wanted to purchase a dress as well. This is the main reason why I decided to go shopping on this Saturday with you.

Actually, we are going to have a great time together! Because while going shopping we can communicate and discuss everything. It helps to keep each other updated!

I hope I will see you on Saturday at 2 p.m. in the mall. See you!!!

### Writing

Hi there Alex! How is it going? What are you up to?  
 Well, I'm writing this letter for you to invite you  
 to go shopping with me on Saturday. I want to go  
 to "Mega Silkway" mall at 11 o'clock. What do you  
 think about that?

By my plans, I'm thinking about to look for cute  
 outfits for spring and slowly coming summer.

I want to visit some new brands and boutiques  
 to see new collection and maybe buy some of them.

I'm interested in some pants, jeans, shorts, skirts,  
 t-shirts, etc. My search is based on oversized ones.

The color of this season is orange, green, and other  
 light-summer-colors like that. But I always chose black

and white only. It's time to change it. Because every  
 boutique is full of light clothes, more green, more

orange clothes. This shopping will be better with you.

By the way, after all that, I need to go to  
 supermarket to buy some food because I want to

make a dinner night and invite there all of  
 my friends. You're invited too. I would love to

see you there and I would be very thankful for  
 you if you will take my invite and go with me.

Hope to see you there! Bye!

<p>Hi! That's great news. My congratulations. My house is quite big and it has 2 floors. It has big backyard and a small garden. I wouldn't say it's my dreamhouse but I like it. I would really like to give a makeover to my room because it seems kind of boring. How about you? Also I think I'm gonna move soon anyway, so it's kind of unnecessary to do a makeover. Anyway, I really want to move to Almaty. I find this city very comfortable and warm. Also in my house I have a dog and a cat. It's old fashioned and has many cultural stuff there. By the way, I'm really into cultural fashion and art lately! I heard that there is Japanese exhibition soon. Do you want to go there together? I will be waiting for your reply. Bye.</p>
